

Two Exhibition Openings

September 2014

On March 8, 2014, Oshawa celebrated 90 years of being a City.

We've been the Manchester of Canada, the City that Motivates, and we always strive to Amaze! Oshawa is a community with much to be proud of, and *Reflections of Oshawa: Remembering 90 Years as a City* celebrates this!

A community based exhibit, Reflections of Oshawa tells the story of Oshawa through the eyes of those who call Oshawa home.

1920 • 1930 • 1940 • 1950 • 1960 • 1970 • 1980 • 1990 • 2000

Travelling from the Canadian Museum of History, **Lace Up: Canada's Passion for Skating** is the first exhibition in Canada to focus on all three skating sports: figure skating, speed skating and hockey.

It tells the story, both ancient and contemporary, of one of the oldest and most popular recreational and sporting activities in the country.

Find out how Oshawa has historically enjoyed the sport, from skating on the Oshawa Creek, backyard skating rinks, to our beloved Oshawa Generals!
